SOFA TUBE

An Italian-designed sofa for two!

TUBE

Lithuanian passion, Italian design!

Tube is elliptically tubular bean bag, which is the best alternative to usual chair. The fabric of handmade bean bags is cut diagonally and joined, thus creating a stylish geometric composition. This piece of furniture is distinguished by the combination of two different colours, making it easily recognizable and pleasing to the eye. The bean bag Tube can be used both outdoors and indoors, as only specially selected durable fabrics are used for the manufacture of armchair. Tube is a bean bag created in Italy and made in Lithuania that will become a bright accent in every house.

TUBE XL

For extraordinary relaxation!

The TUBE XL model was created by Italian product designer Francesco Costacurta and is made and assembled by Pusku pusku in Lithuania. One or two people can rest comfortably on this hand-made bean bag, making it quite universal. It's suitable for terraces, living rooms or offices. The special construction of the internal bag lets it maintain a stable armchair shape and the comfortable backrest ensures comfort and relaxation. Tube XL is the best choice for anyone searching for a comfortable, unique and exceptional piece of furniture for a great rest.

SOFA TUBE

An Italian - designed sofa for two!

Sofa Tube is an Italian-designed sofa made for two people to rest comfortably. This bean bag model was created by an Italian product designer named Francesco Costacurta who represents a company called Why Not in Milan. This hand-made furniture is made with a comfortable backrest to lean against. The new inner bag technology ensures an especially comfortable rest that several family members will be able to enjoy simultaneously. This sofa can easily be carried over into another room, so this bean bag will become your favourite oasis of rest. Sofa Tube is a great choice for those looking for an alternative to ordinary sofas and a unique design solution for their home.
